

# Global Tamil Forum

**Issued for Immediate Release**

**PRESS RELEASE – PRESS RELEASE – PRESS RELEASE**

**23 July 2009**

## **Tamil Diaspora Unites**

The Global Tamil Diaspora has united to form the Global Tamil Forum (GTF), in response to the large scale massacre of Tamil civilians, internment of more than 300,000 in camps reminiscent of Nazi Germany and continuing inhumane treatment of these detainees by the Government of Sri Lanka. It is a need of the times and the first of its kind worldwide for the Tamils to speak with one voice.

This Forum will evolve as an independent, international organisation which adheres to the principles of democracy and non-violence and derives its strength from existing grassroots organisations of the Tamil Diaspora. Working in solidarity with the Tamils in Eelam and other communities in Sri Lanka, this Forum will strive to restore Tamil People's right to self-determination and democratic self rule in their traditional homeland in the island of Sri Lanka.

The immediate goal of this Forum will be to address the plight of the Tamils interned in the camps and have their resettlement in their homes and villages expedited by generating international pressure upon the Government of Sri Lanka. The Forum will also explore avenues to bring the perpetrators of crimes against humanity to justice.

Tamil organisations from all five continents are represented in this Forum and have joined hands to further this mission.
